Remarks Attached, please find two copies of the Appendices that should have accompanied the completed NOI delivered to DOGM on October 4, 2006. No changes were made to the Appendices during the revisions, however, it was discovered that the Appendices were not delivered with the final revisions. Please attach the Appendices to the two "clean" copies of the final revisions.

Please contact Mike Perkins at 924-2080 if you have any additional comments or questions.
